#### Notes to editors

Keystone is an award-winning law firm, providing conventional legal services to SMEs and high net worth individuals in a £9bn addressable market.

Keystone has a scalable and unique model, with three defining characteristics:

- Our lawyers have freedom, flexibility and autonomy, and are paid up to 75% of what they bill.

- Our lawyers have complete control over how, when and where they work, in contrast to the conventional law firm model.
- We offer lawyers full infrastructure and support via its central office, bespoke user-friendly IT platform, and network of colleagues and events.

Keystone is a full-service law firm, with 20 service areas and more than 50 industry sectors delivered by over 350 high calibre self-employed lawyers who work from their own offices.

In November 2020, Keystone was named Law Firm of the Year by The Lawyer, the first time a 'new' law firm has won the award.
