10. That, subject to the passing of resolution 8 and pursuant to section 570 of the Act, the directors be and are generally empowered to allot equity securities (within the meaning of section 560 of the Act) for cash pursuant to the authorities granted by resolution 8 as if section 561(1) of the Act did not apply to any such allotment, provided that this power shall be:

- (a) limited to the allotment of equity securities or sale of treasury shares up to a nominal amount of £3,127.394 (equivalent to 1,563,697 ordinary shares), being 5% of the Company's share capital; and

## **EXPLANATORY NOTES TO THE NOTICE OF ANNUAL GENERAL MEETING**

Dear Shareholders

In the following notes, references to the "current issued share capital" of the Company are to the 31,273,941 ordinary shares of £0.002 each in the capital of the Company in issue as at the close of business on 28 April 2022 (being the latest practicable date prior to the publication of this document).

### **RESOLUTION 1: TO RECEIVE THE FINANCIAL STATEMENTS AND DIRECTORS' REPORTS**

This resolution deals with the receipt and adoption of the accounts of the Company and the reports of the directors and auditors of the Company for the period ended 31 January 2022.

### **RESOLUTION 2: TO DECLARE A FINAL DIVIDEND**

It is proposed that the Company declares a final ordinary dividend of 11.2 pence per ordinary share payable on 8 July 2022 to shareholders on the register at the close of business on 17 June 2022.

### **RESOLUTION 3: TO DECLARE A SPECIAL DIVIDEND**

It is proposed that the Company declares a special dividend of 10.0 pence per ordinary share payable on 8 July 2022 to shareholders on the register at the close of business on 17 June 2022.

### **RESOLUTIONS 4 AND 5: REAPPOINTMENT AND REMUNERATION OF AUDITORS**

The Company is required to appoint auditors at each annual general meeting, to hold office until the next such meeting at which accounts are presented. Resolution 4 proposes the re-appointment of the Company's existing auditors, RSM UK Audit LLP. Resolution 5 proposes that the Board be authorised to determine the auditors' remuneration.

### **RESOLUTIONS 6 TO 7: APPOINTMENT AND RE-APPOINTMENT OF DIRECTORS**

The Company's articles of association require all directors who have been appointed since the last annual general meeting retire and offer themselves for re-election and in any case that all directors who were not appointed or reappointed at an annual general meeting held in a calendar year which is less than three years before the current year retire and offer themselves for re-election. Accordingly, Ashley Miller and myself both retire as Directors in accordance with the articles of association at this annual general meeting and offer themselves for re-election.

Biographical details of the directors offering themselves for re-election are set out in the enclosed annual report and accounts and appear on the Company's website. Having considered the performance of and the contribution made by both Ashley Miller and myself, the board of directors remains satisfied that our performance remains effective and that each of us continues to demonstrate commitment to our roles. As such, the directors recommend our re-election under resolutions 6 to 7.

### **RESOLUTION 8: AUTHORITY TO ALLOT RELEVANT SECURITIES**

The Company requires the flexibility to allot shares from time to time. Under the Act, the directors require authority to allot shares from the Company's shareholders (save in respect of shares issued pursuant to employee share schemes). The directors' existing authority to allot "relevant securities" (including ordinary shares and/or rights to subscribe for or convert into ordinary shares), which was granted (pursuant to section 551 of the Companies Act 2006) at the Company's general meeting held on 5 July 2021, will expire at the end of this year's annual general meeting. Accordingly, resolution 8 would renew this authority (until the next annual general meeting or unless such authority is revoked or renewed prior to such time) by authorising the directors (pursuant to section 551 of the Companies Act) to allot relevant securities up to an aggregate nominal amount equal to approximately one third of the current issued share capital of the Company (or approximately two-thirds of the current issued share capital in connection with a rights issue or other pro rata issue to the shareholders). The directors consider these powers desirable due to the flexibility they give. Save in respect of the issue of new ordinary shares pursuant to the

Group's Long Term Incentive Plan, the directors currently have no plans to allot relevant securities, but the directors believe it is in the interests of the Company for the directors to be granted this authority, to enable the directors to take advantage of appropriate opportunities which may arise in the future.

### **RESOLUTIONS 9 TO 10: DISAPPLICATION OF STATUTORY PRE-EMPTION RIGHTS**

Resolution 9 seeks to disapply the pre-emption rights provisions of section 561 of the Companies Act 2006 in respect of the allotment of equity securities for cash pursuant to rights issues and other pre-emptive issues, and in respect of other issues of equity securities for cash up to an aggregate nominal value which equates to approximately 5 per cent. of the current issued share capital of the Company. Under resolution 10, it is proposed that the directors be authorised to disapply statutory pre-emption rights in respect of an additional 5 per cent. of the current issued share capital of the Company. In accordance with the Pre-Emption Group's Statement of Principles on Disapplying Pre-Emption Rights, the directors confirm that this authority will be used only in connection with an acquisition or specified capital investment that is announced contemporaneously with the issue, or that has taken place in the preceding six-month period and is disclosed in the announcement of the issue. If given, these powers will expire at the same time as the authority referred to in resolution 8. The directors consider these powers desirable due to the flexibility they give. Save in respect of the issue of new ordinary shares pursuant to the Group's long term incentive plan, the directors have no present intention of issuing any equity securities for cash pursuant to the disapplication proposed under resolutions 9 and 10.

### **RESOLUTION 11: AUTHORITY TO PURCHASE COMPANY'S OWN SHARES**

If passed, this resolution will grant the Company authority for a period of up to fifteen months after the date of passing of the resolution to buy its own shares in the market. The resolution limits the number of shares that may be purchased to 14.99 per cent. of the current issued share capital of the Company. The price per ordinary share that the Company may pay is set at a minimum amount (excluding expenses) of £0.002 per ordinary share and a maximum amount (excluding expenses) of the higher of: (i) 5 per cent. over the average of the previous five business days' middle market prices; and (ii) the higher of the price of the last independent trade and the highest current independent bid on the trading venue where the purchase is carried out. This authority will only be exercised if market conditions make it advantageous to do so. The directors are of the opinion that it would be advantageous for the Company to have the flexibility to purchase its own shares should such action be deemed appropriate by the directors. The directors have no present intention of exercising the authority to purchase the Company's ordinary shares but will keep the matter under review, taking into account the financial resources of the Company, the Company's share price, future investment opportunities and the overall position of the Company. The authority will be exercised only if the directors believe that to do so would result in an increase in earnings per share and would be in the interests of shareholders generally. Shares purchased would either be cancelled and the number of shares in issue reduced accordingly or held as treasury shares.

### **RECOMMENDATION**

The directors believe that the adoption of all the resolutions to be put to the meeting is in the best interests of the Company and its shareholders. The directors unanimously recommend that you vote in favour of all the resolutions to be proposed at the annual general meeting, as they themselves intend to do in respect of their own beneficial shareholdings and in the case of Simon Philips those shares held by Root Capital Fund II LP, which in aggregate amount to a total of 8,899,164 ordinary shares, representing approximately 28.46 per cent. of the existing issued share capital of the Company as at the close of business on 28 April 2022 (being the latest practicable date prior to the publication of this document).

Yours Sincerely  
Robin Williams  
Chairman
